Maj. Craig Lommel, PO

Daedalian Flight scholarships

CAPM 50-16, chapter 15, paragraph 16 discusses this scholarship which is due to National HQ 1 April 99. Applications are due to Wing HQ no later than 15 March so they can be processed.

Wing Conference

Information to register for Wing Conference will soon be in the mail. It is also available on the Wing HQ web page.

Cadets need squadron commander's signature and will have an assigned senior member at the conference. The cadet conference is coming along well. Remember that most of the Conference is a Senior Activity and as such cadets are guest.

I will be available all weekend to discuss how we can best serve you in the local units to provide a quality program.

I will also have samples of new programs we are offering from MN WG/CP.

Color Guard Competition

The manual and registration material will soon be sent to the DCFC. The date of 15 May is firm and the location should be Scott Highlands Middle School. Application deadline is 30 April 99.

Good News

Cadets Aleesha Downs and Amanda Pommer, St. Croix, shared receipt of scholarships to Embry Riddle Aeronautical. Congratulation.

Volleyball Competition

Maj. Craig Lommel will be the project Officer at our annual Volleyball competition in October. Other information will be released when it becomes available.

Cadet Programs mailing

Getting applications and other mail through Wing HQ is a real difficult problem. To help get things to Cadet Programs it helps if you write

" ATTN: Cadet Programs " and only include Cadets Programs material in the envelope. When registration fees are required to be sent in the check has to be turned into Wing Finance. If no moneys are required the envelope could be sent directly to my home address at the top of this newsletter.

CAPR 52-10 Cadet Protection Policy

The updated Cadet Protection Policy has been sent out to the units.

Minnesota Aviation Career Education Camp

Cadets in 10-12th grade can enroll for these 3 week-long camps. Cost \$300. For more information contact Ch. Mikitta or the NCLR AE Director, Mr. Dennis Yeager.

CAPC 44 Certificate of Accomplishment

Squadrons using the National Cadet Orientation Course may obtain CAPC 44 from MN WG /CP. I now have a supply of these. I will let you order these from me.

NCO School

35 Cadets have applied for this activity, which is the first of three advanced schools we hope to offer to prepare cadets. The end result will be better prepared cadets. More information will follow soon.

Selection Boards

LTC Tom Theis just reported a good turnout for the selection board. It was actually more a review board for cadets applying to attend National Activities. We need to observe the cadets that are going out of Minnesota Wing as ambassadors. We thank all those that helped prepare these cadets. LTC Theis will be sending out the evaluations of these participants. Please thank these cadets for the good job. Because of bad weather the northern

Because of bad weather the northerr event is being rescheduled.

Solo selection board was also going along well. This year we had 28 cadets apply to attend. Solo has opened up to 20 slots for the first time. This is a great response of applicants.

Those cadets that are selected to attend this activity in 1999 will have earned this opportunity.
